

MindManager® LITE 7

Work Smarter, Think Creatively, Save Time...Everyday

MindManager® Lite 7 is software that helps you shorten planning cycles and remain focused on the critical tasks that help you reach personal and professional goals. Its interactive visual maps capture and organize ideas and information, unleashing your ability to work faster and smarter - and generate results.

SPEED AND IMPROVE PLANNING

- Document and organize personal and business goals.
- Facilitate brainstorming for individuals and small teams.
- Quickly document deliverables, identify resources and establish logical timelines.
- Capture and organize to-do lists.

INCREASE PERSONAL AND TEAM PRODUCTIVITY

- Intuitively capture and re-use information, plans, processes, ideas, and best practices.
- Take control over small projects to speed their completion.
- Enable more effective creation, delivery and receipt of complex information.
- Organize information in one location.
- For students: make homework fun and speed the completion of class projects.

KEY FEATURES AND BENEFITS

- New Microsoft Fluent user interface makes it easy use.
- Organize ideas and manage information effectively.
- View tasks, due dates and resources using intuitive maps.
- Publish maps to PDF format.
- Quickly create maps using uniform topic styles.
- Insert multiple attachments to topics for quick reference.
- Powerful editing tools to facilitate map creation.
- Simply share maps by emailing as an attachment.
- Add hyperlinks to topics for quick reference.
- Easily view and edit maps in outline format.
